Your voyage of discovery will begin in the hotel lobby with the AquaDom. Standing 25 metres high it is the world’s largest cylindrical aquarium boasting 2,500 tropical fish and 1 million litres of salt-water. Why not take a journey through the fascinating underwater world at the neighbouring “Sea Life Berlin” and further enhance your underwater experience with a lift ride through the middle of the AquaDom?

WELCOME TO THE HEART OF BERLIN

Stroll along Berlin-Mitte with its breathtaking history: the boulevard “Unter den Linden”, the Museum Island with its unique exhibitions, the “Alexanderplatz” or the former Spandau suburb: the “Hackesche Höfe”, the most famous example of typical connecting courtyards. At the same time you can see a more Modernist influence sweeping through Berlin. The district was forgotten for many years, but is now the “pulsing heart” of Berlin.
